

PICTURE MAKEUP DAY

Picture Makeup Day is Tuesday, October 29!

Picture Makeup Day is primarily for students who were absent on our original Picture Day.

If your student was photographed on our first Picture Day, and you would prefer a retake, please complete the permission form below so your student may be photographed again. The new photographs will replace the original ones in your child's online gallery.

Students who are having their picture taken for the first time this year will receive their access code from the photographer. If your child is having their picture retaken, you will use the same access code given on picture day. (If you misplaced your access code, please go to www.ismilestudios.com and click the link at the top of the website to have it sent to you.)

If you have any questions, **please contact your school's main office.**
